Walkovers:

17.1. A team giving a walkover in any games will not be credited with any game or score points for these games.
17.2. For the purpose of ladder calculations, the team receiving the walkover shall be awarded;
17.2.1. Billiards: One (1) game point and +50 points difference for that game.
17.3. Walkovers do not affect either player's handicap.
