

# ANZAC WEEKEND 2021

## " A Tribute to the Anzacs VC - The 2021 Charles Upham International "

The Tribute to NZ Heroes Association has been extremely busy this year organising a snooker event between Australia & New Zealand to honour our great Anzacs who fought courageously for our countries. For our freedom. The main purpose of this snooker event is to raise awareness of mental health of our Veterans and to bring back the enjoyment of being entertained by cue sports which was a favourite past time of service men and women around the world. Each year the tournament will rotate between Australia & New Zealand with mention in later years that England may join this elite event.

2021 will be in honour of Charles Hazlitt Upham (NZ), a New Zealand soldier who was awarded the [Victoria Cross](#) (VC) twice during the [Second World War](#); in [Crete](#) in May 1941, and at [Ruweisat Ridge](#), Egypt, in July 1942.
