A Grade	40pts per frame	50 points to be subtracted from final adjusted score. *e.g., player who scored 100 unadjusted points (raw score) but was receiving a multiple of 2 & therefore an adjusted score of 200 would have a final score of 200-50 =150 points.*
B Grade	30pts per frame	
C Grade	20pts per frame	
D Grade	15pts per frame

- The frame ends once penalty points are required.

When the colours remain (Applies to C grades & below)

- The frame ends if a player is ahead on points. If only the black ball remains, the frame will be played to completion. if scores are level see rule below

When scores are level.

- All remaining balls will be removed from the table, the black ball will then be spotted, the striker decided by a coin toss, play started from in-hand and continued until the next pot or foul.

Frames that have not started.

- These will be determined by using a spotted black ball only with play started from in-hand and continued until the first pot or foul. The breaking sequence will continue from the previous frames played, i.e., the player who broke 1st will break in the 3rd.
