Snooker	Snooker	Billiards
A Grade	40pts per frame	50 points to be subtracted from final adjusted score. *e.g., player who scored 100 unadjusted points (raw score) but was receiving a multiple of 2 & therefore an adjusted score of 200 would have a final score of 200-50 =150 points.*
B Grade	30pts per frame	
C Grade	20pts per frame	
D Grade	15pts per frame	

Often debated Pennant Rules – Ensure you know these

More details of all rules can be found at the rules and policies page. It is strongly recommended that all captains and officials are aware of the pennant rules before play commences to avoid delays due to debate during match play.

Colours + 10 rule – Applies to all grades

When the timer sounds

(and all points scored on that visit, or penalty points awarded, have been added) the player with the highest score will be the winner.

When the colours remain (Applies to A & B grade)

- The frame ends once penalty points are required.

When the colours remain (Applies to C grades & below)

- The frame ends if a player is ahead on points. If only the black ball remains, the frame will be played to completion. if scores are level see rule below

When scores are level.

- All remaining balls will be removed from the table, the black ball will then be spotted, the striker decided by a coin toss, play started from in-hand and continued until the next pot or foul.

Frames that have not started.

- These will be determined by using a spotted black ball only with play started from in-hand and continued until the first pot or foul. The breaking sequence will continue from the previous frames played, i.e., the player who broke 1st will break in the 3rd.
